Dedication

TO our much loved president, Dr. Pressly, in sincere appreciation of his unique ability to hearten, guide, and share our life here at Peace, we dedicate this LOTUS of nineteen hundred and thirty-eight.

Foreword

AS a large and efficient department store offers to its customers equipment with which to satisfy their wants and needs in all phases of life, even so Peace offers to every one of her students an opportunity, in choosing the activities and classes in which she will take part, to fit herself for life by developing social poise, mental alertness, physical health, and spiritual understanding. It is the privilege and pleasure of Peace to guide and strengthen the growth of the personalities of her students. And so in presenting this, THE LOTUS of 1938, we have chosen as our theme, "A Department Store."

THE SUPERVISORY DEPARTMENT

MISS MAY McLELLAND Dean
DR. W. C. PRESSLY President

THE FRONT OF MAIN BUILDING

THE NEW EAST DORMITORY

Dr. W. C. PRESSLY, President

As president of the Board of Directors, Dr. Pressly is always generous with his much sought sympathy, advice, and encouragement.

MISS MAY McLELLAND, Dean

As Director of Personnel, Miss McLelland has rendered a service which has won her a place of love and esteem in every heart.

ALMA MATER

In the heart of Carolina,
 'Neath its skies of blue,
 Stands our noble Alma Mater,
 Glorious to view.
 Classic in her broad proportions,
 Looks she proudly down—
 Reared against the arch of heaven,
 With the stars for crown.

Chorus

Lift the chorus, speed it onward;
 Let it never cease;
 Hail to thee, our Alma Mater;
 Hail, all hail to Peace!

Clambering o'er the walls and columns
 Historic ivies twine,
 As pure love and tenderest memory
 In our hearts enshrine
 Days of toil and days of pleasure,
 Happiness and joy
 Hardship, struggles without measure,
 Days without alloy.

Honored be our Alma Mater,
 Honored for her past;
 Honored in the living present,
 Let her honors last!
 Long as time shall tell the story,
 Long as hearts are true,
 May her name be crowned with glory
 And honors ever new!

—Miss Nannie Dinwiddie

Sigma Phi Kappa; Dramatic Club, '37.

Mary Elizabeth appears to be very dignified and reserved but, in reality, is quite jolly and gay. In her years at Peace she has proved a worth-while friend to many—both day students and boarders. Her habitual good humor has been a source of lasting joy to each one of us. Good luck to you, Mary Elizabeth.

Irene Baker

SENIOR CLASS

Ruth McIver Barringer
Carthage, N. C.

Pi Theta Mu; Current Events Club, '37.

Pug-nosed, golden-haired, small and full of pep — that's Ruth. She's popular with both day and boarding students and no one can deny that she's among the cutest of our Peace girls. Peace will certainly lose something without Ruth next year.

Irene McQueen Barron
Rock Hill, S. C.

Sigma Phi Kappa; Current Events Club, '37; P.S.C.A. Cabinet, '38; Advertising Staff, LOTUS, '38; Granddaughter's Club.

Irene is one of the finest girls we know. She is friendly, good-natured, and likable. She has taken part in many activities and has upheld the standards of Peace in every way. We all recognize her as a "true Peace girl!" and someone we can always count on. (She's plenty cute when she does her "Rangatang," too.)

From her pert little head to unbelievably tiny

 with a sunny pleasant manner and a cheery
 smile for all. She's gay and debonair, but
 above all else sincere. These fine qualities
 have made a host of friends for Barbara.

Betty Brown
 Raleigh, N. C.

Pi Theta Mu; Dramatic Club, '37.

Small, dark, and brown-eyed—she's enough to
 keep any boss-man from concentrating. Her
 cheery "Good mornings" add sunshine to the
 gloomiest day, even those on which we have
 shorthand tests! She's an excellent co-worker
 both at school and in social activities. We
 only hope that Betty will do as well in the future
 as she has done in her years at Peace—and we
 feel sure she will.

CLASS POEM

A spacious campus is the scene:
A fountain 'midst the drive,
Chattering squirrels on the green,
And flowers all alive.

The stage is set; the time is nigh;
The lofty school looks down.
On fluttering wings, the pigeons fly
Around their aerial town.

Girls robed in white beneath the trees,
Follow the daisy chain,
And give the Juniors ribbons bright
They will not wear again.

And so the long parade is past;
Our days at Peace are done.
Though cherished memories will last,
New joys have just begun.

—Betty Kennison.

JUNIOR MISSES' DEPARTMENT

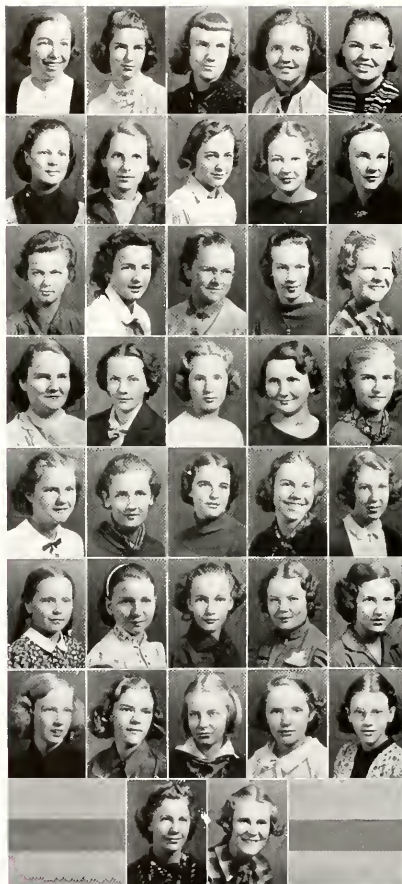

SARAH McGEE.	President
BETTY LOU FLETCHER.	Vice President
FRANCES MOORE.	Secretary
BETTY WINBORNE.	Treasurer
MISS HENRIETTA LAMBERT.	Faculty Adviser

This year the Preparatory Department has included about sixty girls ranging from the eighth grade through the eleventh. The officers were elected by the members of the eleventh grade. Under Miss Lambert's capable direction the Preps gave a very original and attractive performance at our annual stunt night. The members of the senior class were hostesses at a tea given to the college seniors in the spring. The Preps also made the traditional daisy chain which the seniors carried for the college graduation on Class Day. Commencement exercises for the high school graduation were held on May 28.

THE LOTUS

ELLEN MUNROE, Editor-in-Chief AMELIA FARRIOR, Business Manager

In presenting this, The LOTUS of 1938, we have tried to please you and give you something which will recall the memories of your years at Peace, the things you have done, and the friends you have made. We hope that we have been successful and that you may find much pleasure from glancing through these pages in the years to come.

I wish at this time to thank all those whose interest and cooperation have made this publication possible.

Dr. Pressly's patience in explaining details to a green editor and Mrs. Worth's advice and help have made the task of the staff much lighter. June Dickson, our assistant editor, has been wonderful about doing cheerfully and well odd jobs asked of her. To Janice Cobb, the seniors owe both gratitude and appreciation for the splendid material which she has prepared for their section. The fine spirit of our associate editors, Deede Bisceglia, Libby Jenkins, and Helen Clark have been a source of joy and inspiration to the whole staff. The snapshots in this volume are the results of the work prepared by our capable snap editors: Sarah McLean and Barbara Bloxam. Peggy Stixrud has proved a valuable aid in editing the athletic section and to Emily Siler, our joke editor, we are indebted for the humor in this magazine.

A word of thanks is also due to Betsy Graham whose interest and helpful contributions have been a constant encouragement to the editor.

But the efforts of all the editorial staff would have been useless without the backing of our advertising staff who have done an admirable piece of work under the efficient management of Amelia Farrior, Blanche Harrison, and Miss Kirkpatrick.

It has been both a privilege and a pleasure to edit this book for you and we hope you will like it.

ELLEN MUNROE, Editor.

DRAMATIC CLUB

(Theatrical Department)

The Peace Dramatic Club was organized in 1936 by students of the play production course.

This past fall several skits and light comedies were given and a tragedy was successfully produced by the advanced students; these productions were received with a great deal of pleasure and interest on the part of the student body.

In the spring emphasis was placed upon speech correction and voice production and a comprehensive study was made of plot construction and modern plays.

Special work has been done on the One Act Play, the Monologue, and Character Make-up.

This year the Club was divided into a junior group for the high school students and a senior group for the college girls. The Clubs have had a very successful year with the membership twice that of last year. The traditional carol service and the Spring concert were given as well as many other performances.

Hockey is a new sport at Peace, but through Mrs. Darsie's efforts has become one of the most popular. Three teams were organized: Senior, Junior Academic, and Prep and Commercials. The strength and team work of all the teams were remarkable as hard fought games in the tournament proved.

Tennis occupies an important place in the Peace Girl's leisure time. The tournaments were played off in the spring term after tennis lessons had been given in gym classes during the fall. We have many promising players.

Archery is another new sport that is being enjoyed by the girls this year. Quite a number have their own equipment. This sport is becoming increasingly popular.

Hiking has been highly organized, for the girls have opportunities to go hiking every day.

The school has four bicycles so that those girls who enjoy bicycling may ride whenever they like.

Soccer and baseball were played during the winter and spring, respectively, and the girls seemed to enjoy them immensely.

Horseback riding has proved a very popular addition to the Peace athletic activities this year. Mrs. Darsie takes three groups a week out to Carolina Pines where they may ride through the woods or take lessons in the ring.

A CAREER AND YOUR HOME

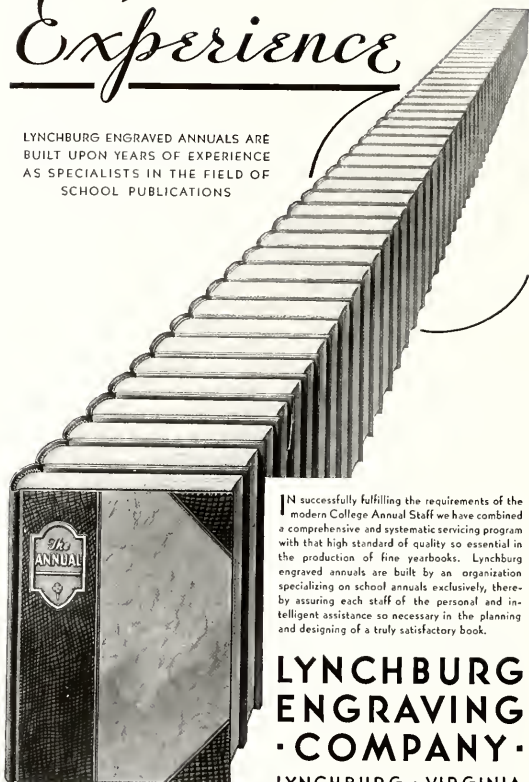

A promising future is often-times sacrificed on the altar of household drudgery. You have planned a career—yet, you, like all other women, will some day want the pleasures and comforts of a home of your own. Must you abandon the work for which you are prepared in favor of the home? Not in this age of electrical conveniences! You can manage a home successfully and at the same time carry on with your vocation or profession. Electrical appliances will provide you with the necessary time and perform your household tasks efficiently and economically.

A STUDENT'S AIM

To live at school,
And never fool,
And spend my days sighing;
To wear sad looks,
And read school books,
And look *half dead* or dying.

THE PRODIGAL'S PHILOSOPHY

"Mid pleasures and palaces
Though we may roam
When the stomach is empty
There's no place like home!"

VOICE IN DORM IN DEAD OF NIGHT

"Wake up, quick, wake up!"
"Can't."
"Why not?"
"Am't sleeping."

FRAN: Kit, what is an abbreviation?
KIT: Nancy Sutton's skirts.

BUILDERS DREAMS

VISIONS created by the imagination precede the achievement of any really great accomplishment. The ability to weave the threads of imagination into the finished fabric is equally important.

It has been the privilege of the EDWARDS & BROUGHTON COMPANY to cooperate with the staff in creating their vision into material form.

Such cooperation is one of the "visions" which precede the building of a successful business, and is a part of the working policy of the EDWARDS & BROUGHTON COMPANY.

To those Staffs desiring complete cooperation, we offer unexcelled service.

You, too, may be proud of your annual.
